**WINTER 2020**

### Township Council

### Message from the Township Manager

On behalf of Township Council and the entire staff, I want to express our best wishes and hopes that 2020 will be a good year for everyone. Thanks to the professionalism and dedication of our entire staff, the Township continues to provide prompt and friendly service while keeping expenses down. As Township Manager, my goal is to continue to make Upper Providence Township one of Pennsylvania's most welcome municipalities by providing quality service through teamwork, originality, interaction and by continually striving for excellence on behalf of everyone.

We welcome two new Councilmembers, Kevin Else and Elgin Akarsoy who represent the 2<sup>nd</sup> and 4<sup>th</sup> Districts respectively. We also have a new Council Chairperson, Beth Glassman, who has represented the 1<sup>st</sup> District since 2018. Kathy Heupler and Ray Wilson continue to represent the 3<sup>rd</sup> and 5<sup>th</sup> Districts respectively. With new members come new ideas. Council welcomes you to contact them to discuss any ideas or suggestions you may have.

As many of you will agree, we have one of the finest police departments in the area. Under the supervision and guidance of our police chief, Upper Providence has been recognized as one of the safest communities to live. Our officers are quick to respond to emergencies and handle their difficult tasks with professionalism.

We look forward to the challenges of the coming year. We welcome you to join us as we partner and neighbor to continue to make Upper Providence Township a community of excellence where people want to live, work and raise a family. Our community is always best served when the residents actively participate and openly communicate their ideas on ways to improve our community. Please check our website ([www.upperprovidence.org](http://www.upperprovidence.org)) or contact the Administrative Office to learn about the various Committee's and Commission's that may offer opportunities to volunteer.

Thank you for your continued support and encouragement.

*Greg Lebold*

UPT has contracted with CodeRED to provide emergency notification services. This is a high speed emergency mass notification service provided by On-Solve, LLC. The system sends telephone calls, text messages and/or emails to inform residents of emergencies.

OnSolve has provided UPT an initial database of residential and business telephone numbers; however all residents in UPT are encouraged to visit [upperprovidence](http://upperprovidence) to enroll their contact information to be added to the database.
